

### REMARKS

The specification has been amended to correct minor informalities therein, as was done in the parent cases by submitting clean and marked-up copies of a substitute specification, and Claims 43, 45, 46, and 48 have been amended solely to correct minor and typographical errors therein. Accordingly, this amendment is needed for proper protection and disclosure of the invention and would require no substantial amount of additional work on the part of the Office. Therefore, this amendment satisfies the criteria for entry of MPEP § 714.16, and such entry is respectfully solicited.

Applicants' undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,
